Council on January 23, 1990, at the request of the General Manager, Board of Parks & Recreation, deferred consideration of a Race Relations Committee report to provide the Park Board an opportunity to consider the report.

On February 5, 1990, the Park Board resolved:

- A. THAT Council request the Park Board to permit the installation of a Komagata Maru commemorative plaque in Portal Park, subject to confirmed funding from the Federal and Provincial Governments.
- B. THAT Council agree to provide a \$500 deposit to the Park Board for the cleaning and maintenance of the plaque, the source of funding to be Contingency Reserve.
