

Forever and ever, my heart will be true!

Sweetheart, forever I'll wait for you.

We both made a promise, that we'd never part,
Lets seal it with a kiss, forever my sweetheart!

Let bygones be bygones forever,
Well fall in love once again . . .
So, lets tell the world of our new love divine,
Forever and ever you'll be mine!

The Man

It might not always be peaceful
But it is a beautiful place

And I will always miss seeing him smoke
With his happy face

He'll do what ever you want
When ever you need it

Whip you up a meal
And trust me, he'll make you eat it

You don't know a good guy
Unless you have met him

My goal in life
Is to be half the man he was

He's the man that will do whatever you want
And whenever you need it

Step into his house
Whatever you think he will have it

He is my Bub
And very much loved
