Lou was active in many sports while growing up in the Cowichan Valley, but his passions were fastball and hockey. Lou also spent many years in the logging industry. He was known for his great sense of humour and wit, always good for a joke... or two. "The Lip" will be sadly missed by family and friends.

In Lou of flowers, donations may be made to charities of choice.

LOUIS REGINALD SHREENAN
 was born
 July 17, 1933
 in Portage la
 Prairie, Manitoba.

*Master
 of any vehicle.*

Lou, with his sisters
 Patricia and Betty
 Lou, was a
 descendent of the
 Shreenan family
 of Kinkora, PEI,
 through his father

Reg. He was a descendent of the
 Coote family of Killarney,
 Manitoba through his mother
 Emily.

From the age of 12 Lou lived in
 and around Duncan, British
 Columbia. It was here he met &
 married Ellen Martin, also born
 and raised in Duncan, his wife of
 44 years. Their children Lori and
 Joe were born in Duncan and

lived their young lives at
 their home in Shawnigan
 Lake.

Lou's sense of humour
 provided many a laugh for
 workmates, team-mates and
 friends. Fortunately for us,
 Lou's recent completion of
 the first volume of "Lou's
 Ramblings" provides us with
 an invaluable gift of his

great art and
 unique style
 as a
 storyteller.

Through it,
 "The
 Lip" lives on.

The Lip

Lou was a
 reliable and
 competent work and sports
 team member during his
 childhood on the Prairies
 and while growing up in the

Cowichan valley. He excelled in hockey and baseball.
 Starting in his early teens, Lou worked long
 days for many physically and mentally
 demanding years in the dangers of the
 logging industry.

No matter the vehicle, he was an "in-
 control" driver. Whether at sports, work,
 or time with his friends, he put his
 whole heart into what he believed in.

*Tricky winter driving!
 Competent drivers begin good habits
 at an early age
 - look back when backingup.*

Lou's sudden death in the Nanaimo Regional Hospital on
 January 30, 2005 has created a big loss in the lives of
 his family and many, many friends.

This celebration of his life, Saturday, February 5,
 1 - 4 pm at the Eagles Hall on Boys Road, Duncan, BC,
 is the expression of
 our gratitude for Lou being in our midst.

"A new friend is like new wine;
when it has aged you will drink it with pleasure."

Ellen, Joe, and Lori thank you
for your friendship and its pleasure that has grown
through the years.

Especially we thank you, for being with us today
to celebrate Lou's life.

*We love him and
we miss him.*
