Dear Sir,

I wish to Advise that as the period of your temporary admission to Canada expired on June 30th, 1948, the matter of granting you an extension of your visiting privileges was taken up with our head office in Ottawa, and I am informed that your temporary admission cannot be further extended. I should be glad therefore, if you kindly take your departure from Canada as soon as possible, advising me when arrangements have been made to that end.

If on the other hand, it is your wish to remain permanently in this country, it will be necessary for you to make application forthwith to this office.

Please let me hear from you at the earliest date possible.

Yours very truly

" J. DORMAN "

A/Inspector in-Charge.
