Mr. Mayo Singh,
Paldi, B. C.

Dear Mr. Mayo Singh:

I have just received your letter of August 9th regarding your son-in-law Karnail Singh. I shall, of course, be very pleased to intercede on your behalf with the authorities at Ottawa but the first thing to do is for Karnail Singh to apply to the Immigration Department at Victoria for permission to remain permanently in Canada. As soon as this application has been made, please send me a copy of it so that I may take up the case with the Immigration authorities at Ottawa.

With kind regards,

Yours sincerely,

H. Malik.

High Commissioner for India.
