Dear Mr. Holdstock:

Thank you very much for passing on your suggestion on the planned wording to be placed on a plaque under my father's picture. What you have, I think, is very appropriate with one exception - to leave out the word "very". In other words, the plaque would read:

Mayo Singh

A generous benefactor of the hospital from
the foundation in 1927 and onwards.

Once again on behalf of the Mayo family I would like to thank you and the Board for the honour of having our father's picture displayed in your beautiful and very worthy hospital.

Yours very truly,

R.S. Mayo.

Dear Mr. Mayo:

I have several times attempted to create the proper wording for the plaque to be placed on the picture of your late father and I wonder if you would let me have your views on the following suggestion.

Mayo Singh

A very generous benefactor of the hospital from the foundation in 1927 and onwards.

If you agree with this I could then have the plaque prepared or alternatively, I shall be more than delighted to hear of any suggestions you may like to make as I do want to have this just right.

With kind regards and best wishes.

Yours sincerely,

John S. Holdstock,
Administrator.
