Two fifty nine hindus left for India last year plus number upon some bank line steamers for which no returns. At least three hundred for the year safe estimate. No records for previous years but probably seven hundred additional. Three hindus with previous residence in Canada returned from native land last year. Twelve hundred left Canada for Unitedstates July nine to July ten. Hundred fifty to States July ten to July eleven. numbers before that now obtainable but estimate total to states over two thousand. Five months ago states began to seek any excuse to debar entry. Hopkinson reports hindu community to considers

Sundar and Teja have injured cause and wasted fifteen hundred dollars expense money. They have now no hope of admission of women and movement on foot displace educated agitators rush as Teja Sundar Raja and others and appoint temple committee composed of their own laboring class as was the case before October nineteen eight.
