

Winter Semester

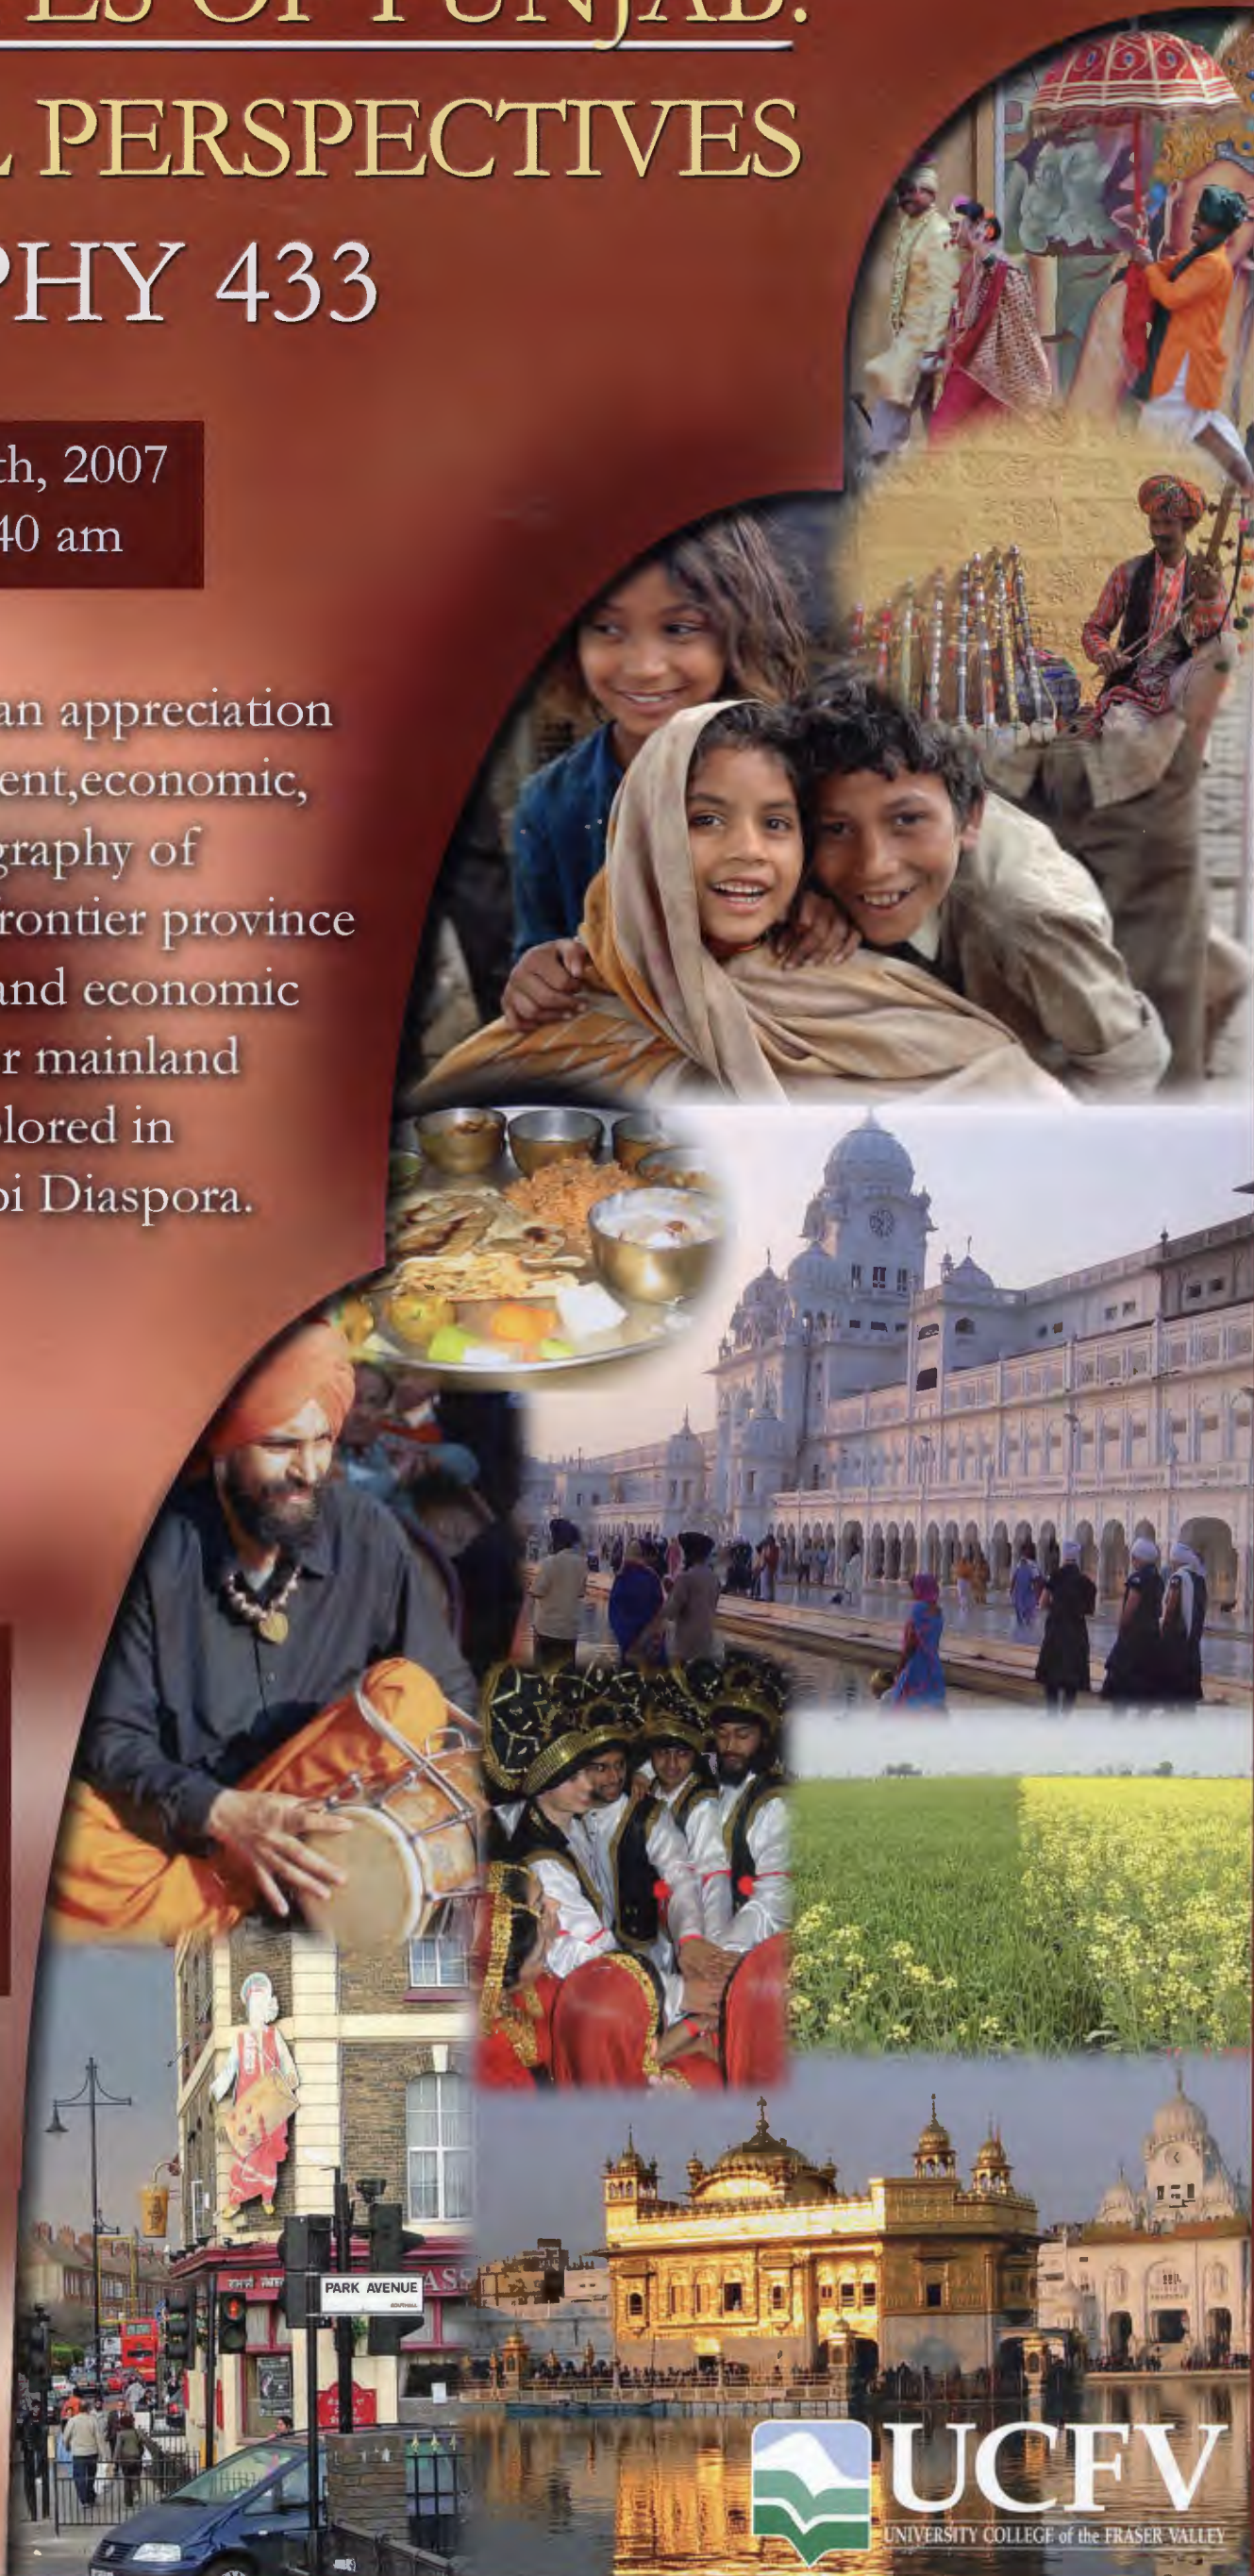

LANDSCAPES OF PUNJAB: REGIONAL PERSPECTIVES GEOGRAPHY 433

Classes start: January 10th, 2007

TIME: 8:30 am to 11:40 am

This course will develop an appreciation of the physical environment, economic, cultural and political geography of Punjab - the north west frontier province of India. Social, cultural and economic environments in the lower mainland and the Valley will be explored in the context of the Punjabi Diaspora.
