Dear Sir,

In connection with the purchase by Harnam Singh from you of the property on Ledger Ave. Burnaby B.C. I wrote you some time ago saying that Harnam Singh requested the Deed which you executed in his favor before you left and which I hold on your behalf until the balance of the purchase price was paid. I have now received the balance amounting to \$167.00 due to complete the purchase and I would ask you to write me per return and let me know what you wish me to do with the money. Harnam Singh is getting to be an old man and is not at all well and as this is a good time to sell he is anxious to do so especially in view of the fact that Milkhi has bought a farm in the country and is leaving the district and there will be no one to look after Harnam. When he sells he will probably go with Milkhi. If I do not hear from you within a reasonable time I shall have to apply to a Judge of the Courts here for permission to complete the deal and deposit the money to your credit in the Court. As this will cost quite a bit to do this I must ask you to reply without delay. You can have the Magistrate or other British Official in your District send me your instructions in English. For your further information Harnam Singh has made a Will in case of his death leaving his property here to you and Ojagar Singh in equal shares. I enclose addressed envelope for your reply.

Yours truly,

Horace H. Palethorpe
