Dear Sir,

Approval has now been granted for the admission to Canada of your wife, Rattan Kaur, and the attached letter in favour of your wife and two younger sons, Harminster Singh and Harjinger Singh has been issued to you and should be forwarded to your wife in India.

You will note that this letter makes no mention of your son, Mahinder Singh. As this boy, under our regulations, is a Natural-born Canadian, we have sent full particulars regarding him to the High Commissioner for Canada in New Delhi.

Yours very truly

J. Dorman.

A/Imm. Inspector-in-Charge.
