Dear Dr. Gill:

To the many magnificent tributes paid to you during your recent investiture with the Order of British Columbia, I would like to add my own personal note of deep appreciation for all your selfless contributions to our much loved province and its people.

We are greatly uplifted by your presence among us - and your example both encourages us to do better; and, more importantly, actively shows us the road to follow in serving and enriching the lives of others. Thank you for that inspiration and that guidance.

Sincerely yours,

Rita M. Johnston,
Minister.
