Dear Dr. Gill,

May I extend my sincere
congratulations on the occasion
of your investiture as a member
of the Order of British Columbia.
The honor and recognition bestowed
on you is well deserved.

I regret that, because of a
long standing commitment, I am
not able to be in the legislature to
observe the ceremony and offer
personal good wishes.

I know that you will be warmly
welcomed and honored by all
Members of the Legislative Assembly.

May this be a day that
you and members of your family
remember with pride and happiness

Sincerely,

Anta Hagen
