Dear Dr. Gill,

Many thanks for your kind letter of
December 5, 1972.

HONY. GENL. SECRETARY :

MEHARBAN SINGH DHUPIA

I hope by now Mr. G.S. Sangra must have
called a meeting. I would like to have the deliberations
of the same.

HONY. TREASURER :

KHAZAN SINGH CHAUDRI

I conveyed your views to our President
and Members of the Managing Committee of the International
Punjabi Society. They very much appreciated your views
and they liked to have your representation on our
Committee. But this can only happen when our Branch has
been established in Vancouver and started functioning.
Therefore, I would request you to kindly see that the life
membership subscription from all those persons who filled in
their membership forms is sent to us and more members are
enlisted. To start with, you should have a membership of
at least 20 members and you can raise the membership by and by.
Every branch of the Society started with small membership
but with God's blessings, the membership of the Society
increased / beyond our expectations.

Regarding construction of a large hotel, which you
have suggested in your above letter, I would like you to discuss
this proposal personally with our Committee members on your
next visit to India. I am sure they will consider this proposal
of yours favourably. Any good proposal which comes forward
we always give due consideration to the same. Therefore, a
meeting with you or with your representative is very necessary.
Such like matters cannot be discussed in letters.

Please remember me to your wife and give my
lots of love to dear children.

With all the best wishes,

Yours

Dr. G.S. Gill, M.D.,
New Westminster, B.C.
