Dear Drive Gurdev Singh Gill,

It was with great interest that I read a profile of your accomplishments in the *Vancouver Sun*'s article entitled "An Era of Influence: 100 Indo-Canadians who are making a difference in British Columbia." The article listed our province's top 100 Indo-Canadian achievers in various areas including the arts, sport, business, politics, and community work.

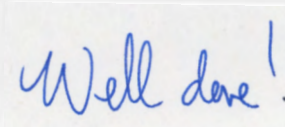

Your diverse community has been able to both achieve much and distinguish itself in a short amount of time. In reading the article, I was immensely proud of the unique contributions that that Indo-Canadians have made to this province and country.

You should be proud of your inclusion in this illustrious list and I know that you will continue to make a valuable contribution to Canada. On behalf of the federal government I congratulate you on your accomplishments.

Sincerely,

Hon. Stockwell Day
Regional Minister of British Columbia

Well done!
