Dear Dr. Gill:

On behalf of the UBC Faculty of Medicine, I would like to thank you for your recent gift of \$1,000 to the Medicine Class of 1957 Bursary. A tax receipt for this gift has been issued to you.

As you know, this bursary provides valuable support for medical students in financial need. Many alumni remember the pressures of covering their tuition expenses. As the cost of post-secondary education rises, financial support is needed now more than ever to alleviate students' financial strain and allow them to focus on their studies.

You have consistently supported the Faculty in its tradition of successfully training future physicians who will serve people's health care needs in British Columbia and beyond. Thank you for your ongoing commitment to our students.

I would also like to congratulate you on receiving a 2013 Alumni Achievement Award for Global Citizenship. Your tireless advocacy on behalf of the Indo-Canadian community and your work to improve conditions for those living in India is commendable. This award is well-deserved.

I understand you have been in contact with Lisa Slater of our Development Office. If you have any questions, please feel free to contact Lisa at 604.822.7087 or lisa.slater@ubc.ca.

Sincerely yours,

Gayin C.E. Stuart, MD, FRCSC
