Dear Mr. Gill:

As you know that in October, 1970 we had a meeting of the Presidents and/or their representatives. At this meeting the Presidents talked about the activities of their organizations. A report on the meeting was circulated. All the Presidents agreed that this meeting had served a very useful purpose in opening communication among various groups. They decided to have the next meeting in December which unfortunately had to be called off.

Each year some members of the Executives of an organization has its elections at different times from each other. I feel that we should consider setting up some sort of communication mechanism on a permanent basis.

I will appreciate it if you could consider my suggestion at the next meeting of your executive.

The next meeting of the Presidents and/or their representatives will be held on Sunday, March 7, 1971, at 10:30 a.m. at the above address. The agenda will include discussion of activities of the associations and the question of communication mechanism.

If you or your representative cannot attend please phone me at 263-7342.

Yours sincerely,

Gyan Nath
President, India Club
