

IWA - CANADA

FORMERLY INTERNATIONAL WOODWORKERS OF AMERICA

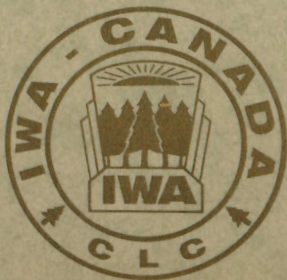

It is a privilege and a pleasure to extend to

GURBAKHSN NARANG

our congratulations for twenty-five years of service to the IWA-Canada, C.L.C. It is not the years a person has lived, but how much one has accomplished that indicates one's usefulness to labour. During your twenty-five years of service to your union and the community, you have won the respect, confidence and admiration of the labour movement, and you have every right to be proud of the reputation you have earned.

On this 25 day of APRIL, 1990, we place our hand and seal.
