

S. BHAGAT SINGH SCHOLARSHIP

S.Bhagat Singh Narang was born in Janaury, 1901 in a poor farmer family in village Dhudike, (then Tehsil Moga) District Ferozpur,(now Distt. Moga).Lala Lajpat Rai was also born in this village

S.Bhagat Singh did his primary class in the Dhudike village school, and the middle class from Khalsa school of neighboring village Chuharchak . Being a good football player, Dev Samaj High School Moga admitted him with a scholarship with free hostel. But he preferred to go back to his village home daily to assist his father in farming.

After matriculation he decided to go to Canada on the invitation of his uncle. He earned some money and reached Calcutta, now renamed as Kolkata. He broke journey at Hongkong to earn shipfare for onward journey to Vancouver. He reached Vancouver in 1919.He worked hard to earn for his studies and got admission in U.B.C (University of British Colombia). He passed graduation with good marks. For him the education was the most important treasure , which shaped his life.

His son S.Gurbux Singh Narang was born in Canada in 1931 and settled there. He realized the problems of the poor brilliant students. To help such students, he has instituted scholarship fund in memory of his father S.Bhagat Singh - to help poor students, which is the best memorial to his father.

We hope that poor brilliant students may get inspiration from the hard life of S.Bhagat Singh Narang.

With Prayers for your good career.
