The most successful Hindustani vocal duo of our time, Rajan and Sajan Misra are today the foremost exponents of the Banaras style of singing. The brothers have raised the duet form of singing to new heights of spiritual sublimity. They exhibit in their musical improvisations a high level of mutual understanding and aesthetic rapport. They have performed in major concerts all over India and toured extensively abroad. Their sonorous and sensitive voices, that complement each other so well, have enraptured audiences all over.
