Message from the President

It gives me great pleasure in welcoming all of you to our annual dinner today on behalf of the "Anpuneri" team.

After the civil war in Sri Lanka, a group of individuals came forward to support the affected people in the north and east of Sri Lanka which within a short span of time evolved as "Anpuneri". Today "Anpuneri" is a non-profit organization registered in the province of Ontario,

As you are aware, the needs of affected people in Sri Lanka due to the war are yet to be fully met. The available assistance is inadequate for the affected families/people to rebuild their minimal survival lifestyle. It is all of our duty to continue our humanitarian relief efforts in order to improve the conditions of the people in the north and east of Sri Lanka. Given the size of our population in Canada, we need to lead these efforts and be the role model to those living in other parts of the world. In this regards, we have successfully completed a number of projects in Sri Lanka, including distribution of clothes, helping to renovate buildings for children's education and community service, helping to build sanitation facilities, providing micro credit facilities, after school programs, support for education etc. We also partner with other reputed and reliable organizations to carry out relief programs. These projects have significantly aided the people in need and we are very pleased with our achievements to date.

We continue to focus on our efforts in the north and east of Sri Lanka to develop a healthier and stronger community by means of education and the economy as a whole. In the near future we also intend to undertake charitable projects in Canada as well.

I am truly amazed with the rapid growth of our generous donors and dedicated volunteers.

Unyielding passion for charity, dedication, hard work and honesty, are the core values of our members. I am honoured to be part of such a wonderful team who embrace these values.

On behalf of "Anpuneri", I would like to take this opportunity to thank all the volunteers and donors for your kind contributions. It is only with your support, we are able to carry on with our mission. our mission.

With best wishes,
Balasubramaniam Myuran

Our beginning...

Aftermath of Sri Lankan civil war forced many people into devastating position. A number of people were severely injured, lost their loved ones, internally displaced and pushed into camps with worst possible conditions without any hope in life. A group of final year students of the University of Peradeniya came forward and helped the affected people by providing essential items such as food, medicines and cloths. These compassionate undergraduates named their project as "Neashakkarangal" and extended their assistances to more and more affected people. As the project needed more financial resources, they approached some of the alumni of the University of Peradeniya in Canada and the United States of America for financial support.

Having identified the channel to help the needed people in Sri Lanka, the alumni considered the possibility of raising funds in Canada for the purpose of helping the affected people but had difficulty in getting consensus from everyone. As such these alumni pooled money and supported the Neashakkarangal projects. This assistance was provided in three phases in 2009. In July 2009, the group of concerned people also had an opportunity to meet and discuss with a member of God Owned Children (GOC) from Sri Lanka about the affected children and their needs in more detail. This further deepened the desire to continue the assistance to affected people in Sri Lanka.

In order to continue the relief efforts, more funds were needed, a barbeque was organized in August 2009 within the friends and family circle to raise money. The fund raised was given to IMHO to build portable washrooms in the camps. Given the success of the barbeque and support from the community, this event is now held on an annual basis and the amount of funds raised continues to increase every year. In addition "Dollar A Day" program was launched in 2010 where some of the members contribute one dollar per day which also goes towards the relief projects.

As the humanitarian relief assistance continued, number of people came forward to help. Given the increased support within the community, a decision was made to bring more formal structure to this initiative and first formal meeting was held in January 2010. At this meeting, members elected the first committee and named their group as Anpuneri. Today Anpuneri is a registered not for profit organization in Canada and provides humanitarian relief to those affected in Sri Lanka. The first annual dinner was held in December 2011 and the fund raised from the tickets sales were entirely used for humanitarian relief efforts without using it for any administration work. Anpuneri continue to grow and gains support of the community day by day.

Since inception to date, Anpuneri has completed several projects such as wheel chair donations, micro credit assistance, sponsorship for children education and welfare, re-settlement program and will continue its efforts.

Projects

Since inception, Anpuneri has successfully completed number of humanitarian projects and many are in the pipeline. The projects completed in 2011 were detailed in our souvenir booklet published as part of our 2011 annual dinner. Information about the projects completed in 2012 and planned and on-going projects are discussed below:

Completed projects in 2012

Kunchuparanthan Resettlement Phase II

As part of the Phase II, we constructed a building (18x30 sq feet) which is now being used for pre-school and in the afternoon as a vocational training centre. At the completion of the construction a formal opening ceremony was held and at that event, we also provided school supplies for the children and

distributed reusable clothes. The building was constructed with the help of the volunteers from the village which helped to bring the community together and created a sense of belonging. We also provided self earning support to 17 families which will be subject to review and enhancement in January 2013. The construction of the building was directly managed by our representative who was on the ground. Total cost of the project is \$3,700.

Distribution of clothes (second shipment) and self earning in Killinochi district

Anpuneri distributed reusable clothes for 100 people. Out of this 100 people, we selected 10 families and provided micro credit facilities. Total cost of the project was \$1,500.

Korakkan Kaddu Children playground

In an effort to support the physical activities for children, Anpuneri helped to reconstruct the Kurankan Kaddu preschool playground and provided equipments in the Kandawalai Area. This is currently the only preschool available to the children with a playground.

Anpuneri estimates that over 250 kids from the surrounding area will benefit from the play area. Anpuneri also delivered school bags and supplies to over 65 students in this area. The reconstruction of the play area and school supplies cost approximately \$2,000.

Solarnagar preschool building materials and school supplies

In our continuous effort to support the early child education, we assisted in building a pre-school by providing building material such as cement, sand and iron. In addition, we repaired the play ground, distributed reusable clothes and provided micro credit facilities for 17 families. Total cost of the project was \$3,500.

Nevil Uruthirapureswaram Resettlement Phase I

We supported the construction of the preschool and a common building (10 X10 Sq feet) in Neevil Uthirapureswaram, Killinochi with the donations received from the BBQ. Uthirapureswaram is a small village located in the Killinochi district severely affected by the last phase of the civil war. The village consists of approximately 350 families including war widows with children that make up 20% of the population. Anpuneri had already provided school supplies to 45 students in this area previously. The total cost of the project is \$3,500.

The second stage of this project consists of a building around 900 square feet in the area. There are 40 children under the age of five who will benefit from the preschool construction in this area. Anpuneri is planning to utilize the other section of the building as a training facility Sewing training center Self-earning coaching center and Vocational studies for the area students.

Maravankulam Water Facilities Construction

Maravankulam, a settlement, located in North Vavuniya District. This is a settlement created during the war years and has now become a permanent settlement. We supported a construction of well to provide water children at the daycare centre. The facility is run by Dr. Darshan Ambalavanar, Manager Projects, Church of American Ceylon Mission (CACM). The total cost of

the project was \$1,700. The cost of the project was provided by A/L 95 batch old students of Jaffna Hindu College.

Kunchuparanthan Small Chicken Farms

The self-earning program helped build small poultry farms by donating 25 to 50 chickens to eighteen families. Anpuneri covered the cost of food and medicine for the first four

to five months. This allowed the farmers to raise enough money to repair an existing coop or build a new one. The cost of \$2,200 for this program was directly sponsored by Anpuneri donor Mr. S. Sarvendran from Norway.

Vanni Area Flood Relief Effort

As a consequence of heavy rain in vanni area in December 2011, thousands of people had to seek out shelters. Anpuneri helped to provide clean water, day rations and cooked meal to the affected people. The total cost of the project was \$1,000.

Planned and on-going projects

Neevil Resettlement Phase II

As announced at the 2012 BBQ, we started the Neevil phase II project in October but the project was delayed till January 2013 due to wether condition.

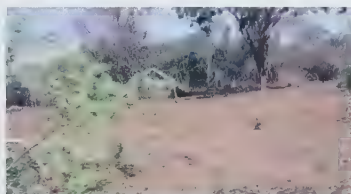

The phase II consists of construction of a building for pre-school, training centres

for self earning projects and other vocational training. The total cost of the project expected to be \$9,000.

Chettikulam Development and Resettlement

The Chettikulam resettlement area includes villages such as Gandhinagar, Sinnathampannai, Veerapuram, Pavakulam. There are 120 families live in this area. Income levels of most people are very low and the area does not have proper building for pre-school or play area for children. We have made

arrangements to build two pre-school and construction of two water wells. We will also provide furniture, sports equipments and school supplies. In addition, we have planned to assist 60 families for self earning projects.

Baladurai Memorial Water Facility

Payarikkulam, a small settlement, located in the Chettikulam Division. There are about ten affected families currently live in this area with minimal support. The people in this village travel few kilometres in order to get drinking water.

Anpuneri has made plans to build a drinking water

facility near the newly constructed pathway connecting to the village and the main town. The facility's main target is to provide easy access to drinking water to the people. Baladurai family in memory of late Baladurai Theivathiran offered to fund this project. The work will resume in January 2013.

Needunkeni- Kantharodai Preschool Construction

We have planned to construct a pre-school for the children in the area. The funding for this project was fully committed by a generous donor. The work is expected to start in January/February timeframe.

Sponsorship of Preschool Teachers' salary

As the income levels are low in certain areas in the Vani region, there is a difficulty in running the schools. Anpuneri has decided to financially support the teachers' salary and other administrative expenses.

Can we all lend them a hand!

I always used to wonder with a sense of melancholy as to what would have been the fate of Tamils back home, had not been for the support rendered by the Tamil Diaspora, that found refuge in every nook and corner of the globe. The horrible war, which killed several thousands, made many a young one as orphan, mutilated hundreds and made thousands homeless in place, mind and spirit by destroying properties, homes and communities is over. But ,to rehabilitate the survivors of the war, to take care of those who lost their loving parents and help them to lead a life of comfort and to those who are physically mutilated to help them to need a normal life and to find abodes for those who are rendered homeless , are matters to be taken care of a by the government of Sri Lanka, if the government genuine. But the Sri Lankan government is lethargic and partisan and did not realize the urgency of the issues and to take speed action.

It is not surprising that the Tamil expatriates have taken the task to help rapid rehabilitation of their brethren. Hence, so many institutions of the expatriate community have come up with the prime purpose of getting involved directly in this process. I cannot imagine a single Tamil living in Ontario who has not contributed to the well being of the destitute Tamils of north and east either directly or through one of these organizations.

Realizing the dire need to offer assistance to the affected people, it is no small wonder that some past students of the University of Peradeniya living in Canada and the States have formed themselves into an organization to seek monetary help from compassionate countrymen. As it is called Anpuneri Humanitarian Relief Organization or in short "Anpuneri" has as its declared mission to mobilize Canadian Tamils and the general public in helping those affected by the civil war to re-establish a normal life free of fear. This young organization instituted just three years back ,has successively completed several projects and has many more in pipeline is a matter that goes to the credit of its excellent team of executive members.

Anpuneri has delved into many ambitious programs aimed at resettling and rehabilitating the destitute of the war. One such impressive partnership has been with the International Medical Health Organization (IMHO). Through financial and other support from Anpuneri of the Wheelchair Donation program the IMHO was able to provide 23 indoor wheel chairs to the disabled. This program was able to assist the improvised and disabled to lead a life with dignity and honor.

Anpuneri has extended its arms to embrace the younger children to have a sound education and better health so that they will have a better life as adults. Definitely the number of people who needed such

assistance is much more than what need was able to be met. Thus, Anpuneri needs more and more help from benefactors.

The other aspect of the Anpuneri is the capacity building, that they are engaging in with their alma mater through their support "Nessakkarangal" project. Through this, Anpuneri is able to empower a group of students from Peradeniya University to support and rebuild their community. Through this action Anpuneri is able to support students in reconnecting with the Sri Lanka and feel like they have a stake in shaping the future of the country and helping their fellow countrymen in reclaiming their lives and overcoming the many tragedies of the war.

Another one project which I admired is the initiative taken by Anpuneri to improve the life of war affected children. In partnership with God's Own Children Foundation Anpuneri has sponsored some twenty orphans at the shelters of Puloly and Atchuvely in Jaffna district. Of course there are several other humanitarian organizations as well as individual who have sponsored many more of those who are left parentless by the devastating war. Still there are a large number of unfortunate lots who need sponsors. Anpuneri needs financial assistance to sustain and support many more. It hopes to realize a substantial sum of money by holding such dinners annually to help them raise funds to continue the projects it is involved and to initiate many more project it intends to indulge.

I wish this year's annual dinner tremendous success.

Thank you

செட்டி குள அபிவிருத்தித்திட்டம் 2012 – 2013

அ. காந்தி நகர் முன்பள்ளி மறு சீரமைப்பும் அபிவிருத்தியும்

செட்டி குளத்தில் காணியற்று இருந்த மக்களிற்கு அரசாங்கத்தினால் $\frac{1}{4}$ காணி வழங்கப்பட்டு பெரும்பாண்மையான மக்கள் கூலித்தொழிலில் ஈடுபட்டு வருகின்றனர் .இக்கிராமத்தில் 120 குடும்பத்தைச் சேர்ந்த 400 பேர் வாழ்ந்து வருகின்றனர் .2000 ஆண்டு சேவா லங்கா நிறுவனத்தால் கட்டிக் கொடுக்கப்பட்ட முன்பள்ளி கடந்த கால அனர்த்தத்தினால் பல திருத்தங்களை எதிர் நோக்கி உள்ளது. அத்துடன் இம் முன்பள்ளிக்கு ஒரு விளையாட்டு முற்றத்தையும் தயாரித்து பிள்ளைகளுக்கு தேவையான கற்றல் உபகரணங்களையும் கொடுத்து உதவ வேண்டி இருப்பதால் இதனையும் வழங்கியுதவுமாறு வேண்டிக் கொள்கிறோம் .இதற்கு அண்ணளவாக நான்கு இலட்சம் ரூபா தேவை வரும் என மதிப்பீடு செய்கின்றோம் .

ஆ. சின்னத்தம்பனைக் கிராம முன்பள்ளி மறு சீரமைப்பும் அபிவிருத்தியும்

இக்கிராமத்தில் 63 குடும்பத்தைச் சேர்ந்த 150 பேர் வாழ்ந்து வருகின்றனர் .இக் கிராமமும் மேற்காட்டிய கிராமம் போன்று கடந்த கால அனர்த்தத்தினால் சேதமற்ற கட்டிடத்தை திருத்தி பிள்ளைகளுக்கான விளையாட்டுதிடலை அமைத்து கற்றல் உபகரணங்களை வழங்க அண்ணளவாக நான்கு இலட்சம் ரூபா தந்துதவுமாறு கேட்டக்கொள்கிறோம் .

இ. வீரபுரம் கிராம முன் பள்ளி மறு சீரமைப்பும் அபிவிருத்தியும்

இக் கிராமத்தில் 463 குடும்பத்தைச் சேர்ந்த 1470 பேர் வாழ்ந்து வருகின்றனர் . இக் கிராமத்தில் சிறிய முன்பள்ளி கட்டிக் கொடுக்கப்பட்ட போதும் இங்கு எந்த வித விளையாட்டு உபகரணமோ போதிய கற்றல் உபகரணமோ இல்லாத நிலையில் 30 இல் இருந்து 35 மாணவர் வரையில் கல்வி கற்றுக் கொண்டிருக்கின்றனர் .எனவே இம் முன்பள்ளியில் கற்றல் உபகரணங்களை வழங்குவதற்கு அண்ணளவாக 2 1/2 இலட்சம் ரூபா தந்துதவுமாறு தாழ்மையுடன் கேட்டக்கொள்கிறோம் .

ஈ. பாவற்குளம் யூனிற் 09 மீள் குடியேற்ற உதவி

1985 ஆம் அண்டிற்கு முன்னர் 45 -50 கல் வீடுகள் உள்ளடங்கிய 300 குடும்பங்கள் வாழ்ந்த இப்பகுதி இது வரை மீள் குடியேற்றம் தடை செய்யப்பட்டு இருந்தது. அண்மையில் மீள் குடியேற்ற அனுமதி கிடைத்த போதும் எந்தவித அத்தியாவசிய தேவைகளோ அபிவிருத்தி ஒத்துழைப்புகளோ கிடைக்கவில்லை. இந் நிலையிலும் வேறு வழியின்றி 45 குடும்பங்கள் மீண்டும் காடாக வளர்ந்திருந்த தங்களது காணிகளை துப்பரவு செய்து சிறு கொட்டில்கள் அமைத்து வாழ்ந்து வருகின்றார்கள் .

இவர்களிடம் முன்னர் அமைத்த ஒரு குழாய்க்கிணறு சேதமாக்கப்பட்ட நிலையில் உள்ளது. இதை திருத்தி குடிநீர் வழங்குவதற்கு ரூபா 1 ½

இலட்சத்தில் இருந்து 2 இலட்சம் வரை தேவை வரலாம் .அதே போன்று இந்த 45 குடும்பங்களின் கால போக விவசாய செய்கைக்கு விவசாய உபகரணங்களோ விதைகளோ கொள்வனவு செய்வதற்கு உங்களால் உதவி வழங்க முடியும் என்றால் அது அவர்களுக்கு பேருதவியாக அமையும் .

உ. பாவற்குளம் யுனிற் 10 மீள் குடியேற்ற உதவி

1985 ஆம் அண்டிற்கு முன்னர் 45 -50 கல் வீடுகள் உள்ளடங்கிய 250 குடும்பங்கள் வாழ்ந்த இப்பகுதி இதுவரை மீள் குடியேற்றம் தடைசெய்யப்பட்டு இருந்தது. அண்மையில் மீள் குடியேற்ற அனுமதி கிடைத்த போதும் எந்தவித அத்தியாவசிய தேவைகளோ அபிவிருத்தி ஒத்துழைப்புகளோ கிடைக்கவில்லை. இந்நிலையிலும் வேறு வழியின்றி 15 குடும்பங்கள் மீண்டும் காடாக வளர்ந்திருந்த தங்களது காணிகளை துப்பரவு செய்து சிறு கொட்டில்கள் அமைத்து வாழ்ந்து வருகின்றார்கள் .

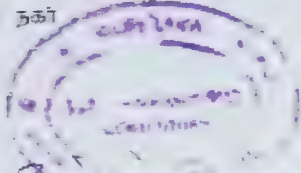

இவர்களிடம் முன்னர் அமைத்த ஒரு குழாய்க்கிணறு சேதமாக்கப்பட்ட நிலையில் உள்ளது. இதை திருத்தி குடிநீர் வழங்குவதற்கு ரூபா 1 ½ இலட்சத்தில் இருந்து 2 இலட்சம் வரை தேவை வரலாம் .அதே போன்று இந்த 15 குடும்பங்களின் கால போக விவசாய செய்கைக்கு விவசாய உபகரணங்களோ விதைகளோ கொள்வனவு செய்வதற்கு உங்களால் உதவி வழங்க முடியும் என்றால் அது அவர்களுக்கு பேருதவியாக அமையும் .

மேற்கூறிய இரண்டு குடியேற்ற கிராமத்திலும் எதிர்காலத்தில் பிறர் காணிகளில் குடியேறியவர்கள் அல்லது இந்தியாவில் அடைக்கலம் கோரியவர்கள் திரும்பி வந்து குடியேறுவார்கள் என எதிர்பார்க்கப்படுகின்றது.
