

CELEBRATING OUR BEGINNINGS IN CANADA©

In memory of
All the Indian men and the Indian women
Pioneers of India
Who as British subjects
Endured the harsh rigors,
And
Deterrents of immigration
To Canada
To successfully establish their lives, their families,
and Gurdwaras
For multi generations.

While the achievements and successes
Of the first sons, of the first daughters
And successive generations are laudable,
The glory alone goes to those pioneers

Upon whose shoulders
We move with freedom unrestricted
To enjoy the fruits of their labor
Their inheritances
And their successful endurances
For us to walk
On the pathways they blazed,
To live as Canadians
And to
Pursue the Canadian dream.
