to Mr. & Mrs. Walter Mayea, Duncan

Cowichan Valley Museum & Archives

January 25 1948.
Dear Mr & Mrs Walter Mayea

"I received your Xmas Card and
letter and Oh! Boy! How nice it was to get
a letter from our old home time. Most of our
Xmas Day we talked of old times in Duncan
And to top it all, we suddenly get letters from the
home town from friends like you folks and it
makes us feel grand.
