

Sujit
Sujit & our Mother born & raised in India came to Canada in 1962
and passed away suddenly Nov 8 2019
Sujit
She was a devoted member of the Palde Sikh Temple

always anxious to help with the many functions
still held in one of the oldest Sikh Temples in Canada
passed away suddenly Nov 8 2019. ~~Sujit~~

at one of the busiest times of her devotion to the Temple.

Plans her apart for the 100 yr celebrations of the her most holy site.
She ^{Punjabi} word Seva which means 'Help' meant so much to her.

Even when the Gharu (a priest) was away on holiday in India.
Sujit took over the daily readings & duties twice a day. She
drove the 7 miles from her family home to Palde every morning and
again every late afternoon all thru the cold snowy months to
assume all pilgrim's readings & duties ^(faithfully & fulfilled) ^(Carried on)
One of her main forms of Seva was her cooking. She even grew
many of the greens in her own garden & ^(faithfully) handed out
left overs to any who needed them. It gave her a warm
feeling to help & share with others.

It gave her great pride & joy to perform Seva
always (anxious & willing) to share the culture & traditions to Palde

~~to offer or serve a meal or tea~~

to offer tea or serve a meal if she knew in advance

Sujit will be sorely missed but always remembered.
